

! CAMP NAMES !

♥ NEW STAFF ONLY ♥

They're fun! They're campy!
They help create a fun camp community!
Everyone remembers camp names!

Every staff member at Camp del Corazon has a “camp name” or “nick name” (doctors, nurses, counselors, directors... everybody!). Some of you already have camp names, but for those of you who do not, here is your only chance to pick your own personal camp name! It can be something that matches your personality, an old nick name from your childhood, a nick name you've always wanted to have... almost anything you want (*****must be appropriate for working with children**). Your camp name is going to stick like glue for all the years you come to camp, so make sure it's one you like!

This form needs to be received before **Staff Day** or a name will be assigned to you (*and you DO NOT want that!*). So, put on your thinking cap, pick a camp name and send this form in. All camp rosters will be typed and copied so you will **not** be able to change your camp name after the office receives it.

If you pick a name that has already been chosen you will be notified and will have to pick an alternate name! On the back is a list of some example camp names. Most of them are currently available, or you can use them as inspiration to create your own camp name! Hurry and get this form in - because camp names first come... first serve!

MY CAMP NAME IS: _____

MY REAL NAME IS: _____

This form must be received prior to STAFF TRAINING DAY!
