

HOW TO PREPARE FOR CAMP 2022

1. **Pack your masks** - We're asking every family to provide their child with 7 masks for their 5 day session of camp.

2. Get Vaccinated!

- We are requiring **ALL** campers to be fully vaccinated since we are a medical special-needs camp and have a vulnerable population of campers and staff.
 - Fully vaccinated = two weeks after your final dose.
 - Boosters not required for campers.
 - Find more information at <https://myturn.ca.gov/>
- **To submit your COVID vaccine card or digital copy you can:**
 - Upload your COVID card to Camp Doc
 - Email card to info@campdelcorazon.org
 - Bring the COVID vaccination card to the boat on your child's first day of camp

3. **Get a PCR test** - within 3 days of your child's first day of camp.

- **To submit your test result you can:**
 - Upload your result to Camp Doc
 - Email result to info@campdelcorazon.org
 - Bring result printed out to the boat on your child's first day of camp
- **If you cannot get a PCR test** - we will provide a rapid test at the boat.
 - **WARNING:** Rapid tests have a small chance of false *positive* results. If you do not submit a negative PCR test to us prior to camp and your child tests positive with our Rapid test, your child will not be allowed to come to camp.
- **Resources for finding a PCR test in your area**
 - **Free PCR Tests in LA County:** <https://curative.com/>
- **Travel suggestions for campers coming to camp from outside California, with vaccination** (per LA County domestic traveling):
 - Before travel, consider getting a COVID-19 test 1-3 days before travel, especially if you have recently been in crowded spaces and/or you will be gathering with people from other parts of the country.

ALL CAMPERS WILL STILL NEED TO SUBMIT A PCR TEST PRIOR TO CAMP, OR BE RAPID TESTED AT THE DOCK.

4. **Limit exposure before and after camp** - For the 7 days prior to camp, please limit your child's activities that increase their exposure to COVID-19.

- **Please limit exposure to:**
 - Large group gatherings indoors (more than 3 households)
 - Large public gatherings (sports events, concerts, theme parks)
 - Attending school is admissible
- **Consider making a plan for your child's return from Camp** in regards to limiting activities before returning to school or other group/public activities.
