Diversity, Equity, and Inclusion Policy

Camp del Corazon is a registered 501(c)3 nonprofit organization that provides year-round experiential opportunities for children faced with the challenges of growing up and living with heart disease. We provide a residential summer camp experience for children ages 7-17, as well as programs that offer opportunities for growth, education, and support for children, young adults, and families who are living with heart disease.

Camp Del Corazon strives to include every family who may benefit from our programs, independent of race, national origin, sexual orientation, or gender identity. Our employment practices similarly prohibit discrimination based on physical disability, family status, age, race, national origin, sexual orientation, gender or gender identity.
